I am a web developer who started his career as an Search Engine Optimizer. I'm MD Shafayat Islam, a full stack(MERN Stack) Web Developer. I have 1 year+ of experience in Front-End Web Development; before this, I worked as an SEO Expert. Basically, I am an individual who loves to grow by learning adapting with technology.

PROJECTS

Doctors Website
(March 01, 2023 - March 07, 2023)

This was an assignment in a bootcamp where they demanded a number of features and I implemented those. I started applying JWT from this project.

This website is build with react JS and express JS is handling its CRUD operations and MongoDB is storing data.
